

# ISO presents Health Insurance Waiver

Student Health Insurance

## What is a Waiver?

A health insurance waiver is a consent form to opt-out of costly school insurance if you have similar coverage elsewhere. It provides you the freedom to choose affordable and tailored health coverage options in the U.S.

## Why Waive with ISO Student Health Insurance?

Since 1958, we have insured over 1 million international students in U.S. ISO Plans are designed for international students only therefore we provide the most affordable student health insurance.
