I understand that the liability of the Underwriter of the coverage is as provided in the policy and subject to the Act. By acceptance of coverage and/or submission of any claim for benefits, the Plan Participant ratifies the authority of the signer to so act and bind the Plan Participant.

The Plan Participant undertakes to make all premium payments as they fall due in respect of the coverage extended to them.

If the Plan Participant fails to make any premium payment due in respect of the coverage extended to them, then such coverage will lapse (unless otherwise agreed in writing by the Underwriter).

The Plan Participant hereby confirms the accuracy of all information validity of all representations and warranties provided in connection with its participation in the plan and/or the subscription for the insurance coverage, howsoever provided, including the terms of this subscription agreement, (together “representations & warranties”). The Plan Participant acknowledges that certain of such information will be relied upon by the Underwriter as provider of the coverage, and that any inaccuracy therein may result in the invalidity of such coverage as it relates to the Plan Participant, the loss of coverage and all monies paid in relation thereto. The Plan Participant hereby undertakes to inform the Plan Manager of any change to any of matter that forms the subject of any of the representation & warranties. Payments under the terms of the coverage shall be paid by the Underwriter (or its Third Party Administrator) to the Plan Participant or directly to a provider if assignment of benefits has been authorized. The Plan Manager shall not be responsible for the administration of such payments.

I confirm that I have satisfied myself that the coverage is appropriate for me and that I meet the eligibility criteria. The policy provides limited benefit short duration coverage pursuant to all of its terms, conditions, limits and exclusions. This insurance is not subject to, and does not provide certain insurance benefits required by, the United States’ Patient Protection and Affordable Care Act (“PPACA”). PPACA requires certain US citizens or US residents to obtain PPACA compliant health insurance, or “minimum essential coverage.” PPACA also requires certain employers to offer PPACA compliant insurance coverage to their employees. Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. You should consult your attorney or tax professional to determine whether this coverage meets any obligations you may have under PPACA. This plan is not designed to cover US residents and citizens. This policy is not subject to guaranteed issuance or renewal.
