BENEFITS

When a covered injury or sickness requires treatment by a Physician, the coverage will provide benefits for the usual, reasonable and customary charges for medically necessary covered medical expenses, subject to the maximum benefit for all services as shown in the Schedule after the deductible and any required coinsurance and/or copayment are satisfied. Please be aware that if you have a gap between policies or choose to change plans in any subsequent policy enrollment the plan benefits will be subjected to all plan exclusions, including a new pre-existing condition exclusion and waiting period.

DEFINITIONS

Annual Maximum means the maximum payable limit per Policy Year.

Child means the Plan Participant's natural child, adopted child (or child placed in the Plan Participant's home for purposes of adoption), foster child, stepchild, or other child for whom the Plan Participant has legal guardianship (proof will be required). A child must reside with the Plan Participant in a parent-child relationship. NOTE: In the event the Plan Participant shares physical custody of the child with another parent, the requirement that the child reside with the Plan Participant will be waived.

Dependent means a Plan Participant's: Spouse; and each unmarried child under age 26.

The foregoing age limitation will not apply to a Plan Participant's unmarried child who is dependent on the Plan Participant or other care providers for lifetime care and supervision, and incapable of self-sustaining employment by reason of mental or physical handicap that occurred before age 26. Proof of such dependence and incapacity must be furnished to the company immediately upon enrollment or within 31 days of the child reaching the age limitation. Thereafter, proof will be required whenever reasonably necessary, but not more often than once a year after the 2-year period following the age limitation.

Eligible Expenses means the usual, reasonable and customary charges for services or supplies which are incurred by the Plan Participant for the medically necessary treatment of an injury provided that they are incurred while this coverage is in force.

Emergency means a sickness or injury for which the Plan Participant seeks immediate medical treatment at the nearest available facility. The condition must be one that manifests itself by acute symptoms which are sufficiently severe (including severe pain) that without immediate medical care a prudent layperson possessing an average knowledge of health and medicine would reasonably expect that failure to receive immediate medical attention would cause: 1) their life or health to be in serious jeopardy (or, with respect to a Plan Participant that is a pregnant woman, serious jeopardy to the health of the woman or her unborn child); 2) their bodily functions to be seriously impaired; or 3) a body organ or part would be seriously damaged.

Injury means bodily harm which results, directly and independently of disease or bodily infirmity, from an accident after the effective date of a Plan Participant's coverage under the plan document, while this coverage is in force as to the person whose injury is the basis of the claim. All injuries to the same Plan Participant sustained in one accident, including all related conditions and recurring symptoms of the injuries will be considered one injury.

Medical Expense Benefit means the lifetime limit payable per injury or sickness for all consecutive terms of medical coverage.

Physician means a person who is a qualified practitioner of medicine. As such, he or she must be acting within the scope of his/her license under the law of the State in which he or she practices and providing only those medical services which are within the scope of his/her license or certificate. However it shall not include a Plan Participant, a Plan Participant's spouse, son, daughter, father, mother, brother, sister or other relative (even if they are a qualified practitioner of medicine).

Plan Participant means a person and dependent eligible for coverage as identified in the enrollment/application who is a non-United States citizen traveling outside of their home country and has his or her true fixed or permanent home and

principal establishment outside of the United States and holds a current and valid passport for whom proper premium payment has been made when due, and who is therefore a Plan Participant under the policy.

Policy Year means the period of time between the start and end date for which insurance coverage is in effect as shown on the confirmation letter, up to a maximum of 12 months.

Pre-existing Condition means any illness, injury, or physical or mental condition, for which a Plan Participant, prior to the effective date:

1. received any diagnosis; or
2. received any medical advice; or
3. received any treatment; or
4. took any prescribed medications; or
5. experienced any distinct symptoms.

Preferred Allowance means the amount a network provider will accept as payment in full for eligible expenses.

Sickness means sickness or disease contracted and causing loss commencing while the coverage is in force as to the Plan Participant whose sickness is the basis of claim. Any complication or any condition arising out of a sickness for which the Plan Participant is being treated or has received treatment will be considered as part of the original sickness.

Spouse means lawful spouse (if not legally separated or divorced) or domestic partner or civil union partner.

Usual, Reasonable and Customary means the most common charge for similar professional services, drugs, procedures, devices, supplies or treatment within the area in which the charge is incurred, so long as those charges are reasonable. The most common charge means the lesser of:

• The actual amount charged by the provider;

• The negotiated rate; or

• The charge which would have been made by the medical service provider for a comparable service or supply made by other providers in the same three digit zip code in which the service, treatment, procedure, drugs or supplies are provided (or a greater area if necessary to obtain a representative cross section of charge for a like treatment, service, procedure, device drug or supply), as reasonable determined by us for the same service or supply.

By acceptance of coverage and/or submission of any claim for benefits, the Plan Participant ratifies the authority of the signer to so act and bind the Plan Participant.

The Plan Participant undertakes to make all premium payments as they fall due in respect of the coverage extended to them. If the Plan Participant fails to make any premium payment due in respect of the coverage extended to them, then such coverage will lapse (unless otherwise agreed in writing by the Underwriter).

The Plan Participant hereby confirms the accuracy of all information validity of all representations and warranties provided in connection with its participation in the plan and/or the subscription for the insurance coverage, howsoever provided, including the terms of this subscription agreement (together "representations & warranties"). I confirm that I have satisfied myself that the coverage is appropriate for me and that I meet the eligibility criteria. The policy provides limited benefit short duration coverage pursuant to all of its terms, conditions, limits and exclusions. This insurance is not subject to, and does not provide certain insurance benefits required by, the United States' Patient Protection and Affordable Care Act ("PPACA"). PPACA requires certain US citizens or US residents to obtain PPACA compliant health insurance, or "minimum essential coverage." PPACA also requires certain employers to offer PPACA compliant insurance coverage to their employees. Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. You should consult your attorney or tax professional to determine whether this coverage meets any obligations you may have under PPACA. This plan is not designed to cover US residents and citizens. This policy is not subject to guaranteed issuance or renewal.
